

MODULE 3

A governance checklist: approved tools, region, DLP, provenance, audit

Shipping Safely

Starter template

Purpose

Starter template for **A governance checklist: approved tools, region, DLP, provenance, audit**, produced by Module 3 — Shipping Safely.

How to use

- › Replace the placeholder content with the client's specifics.
- › Keep the D55 branding and structure.
- › This artefact writes into the Client Operating Manual section: 3. Shipping Safely.

Notes

TODO — capture decisions, owners, and follow-ups here.
